OUR MISSION

Manitowoc County Home Builders Association, a professional not-for-profit organization of builders and related businesses, promotes attainable, safe and quality housing.

We serve our members and our communities through education, government affairs and public service.

President's Message

Hello Members,

Spring has finally sprung! I would like to thank everyone for volunteering and participating in our Home Show. Attendance was down a bit, still an indication of the economy, but the event was still a success.

Our April 28th Fish Boil General Membership Meeting is fast approaching. Please mark your calendar to attend. It's going to be held at the Eagle's Club, 823 Hamilton St.

The Parade of Homes is our next major event, June 23-26. Eleven homes have been entered by seven builder members. We are anticipating a great Parade. Remember, the Parade is a great time to showcase your workmanship so contact the builders to see if you can still bid on any part of the project.

If you have a chance tune your radio dial to 1240am WOMT on Saturday mornings from 8:30am to 9:00am to listen to our Home Professionals Radio Show, it's a great program. I would like to thank the members for advertising and those willing to speak on the program to make it successful.

Have a Happy Easter.

Last but not least...

**"Members buying from Members
keeps us all Strong"**

Respectfully,

Todd Stelmach

Home Professionals Radio Show

We are going into the third week of the Radio Show and it is going very well. I'd like to thank our speakers from the first two shows, Dan Schneider, Mike Check, Todd Stelmach and Jesse Jerabek. This Saturday Mike Mecca and Mike Howe will be on the show. The committee is finalizing the speaker schedule as I write this. This year's program is breaking down the building process and presenting different segments each week.

Thanks to the many business members that took advantage of advertising on the program. Without you we would not be able to produce this informative program.

Brief Update from the Board of Directors Meeting on April 7th

Home Show—Attendance was down, but many felt the economy was still the issue. There were 66 exhibitors using 108 booth spaces. The seminars went very well as did the Kid's Korner. With the snowstorm on Wednesday and the Quilt Show parking was an issue. With the cold weather it was also "cooler" in the ice rink.

The Radio Show is going well, all the ad spots have been sold and the speaker schedule is being finalized.

The Parade of Homes is June 23-26 with eleven homes.

Government Affairs-the City Council Forum we held with the Chamber of Manitowoc County was poorly attended by both groups and the general public.

Membership Services -

An on site seminar on building to the new June 16 OSHA Fall Protection requirements is being developed.

The Golf Outing will be July 28 at Autumn Ridge

The Sporting Clays location and date is being finalized.

New members applications approved were: Green Acre Landscaping & Garden Center, Focus on Energy/WECC and Towsleys.

Our community project, building Lincoln Park Cabin 1, is being finalized with the city with work to being shortly. Another request for assistance was received by the Masquers and will be reviewed after this project is complete.
